

[Important] Notice Regarding Other Companies and Services with Similar Names

We are writing to inform you that there have been instances of confusion and misidentification with other companies and services that have names similar to ours.

Japan's Financial Services Agency has published a notice titled "Names, etc., of Entities Engaging in Financial Instruments Business Without Registration (Updated September 25, Reiwa 8)." (published in Japanese only) This notice lists service names such as "TITAN FX," and "Titan FX," which are similar to our company name. However, these entities are unrelated to our company, and we have absolutely no relationship—including any capital ties, business partnerships, or personnel exchanges—with "TI Securities Limited," the entity providing these services. Please note that our company does not solicit over-the-counter derivative trading via the Internet.

In addition, while we have identified several other companies and services with similar names, as listed below, we have absolutely no relationship with any of these companies—including any capital ties, business partnerships, or personnel exchanges.

	Country	Company Name/Service Name
1	Australia	Titan Capital Markets
2	India	TITAN CAPITAL TITAN WINNERS FUND MANAGEMENT LLP
3	Thailand	Titan Capital Asia TITAN Capital Private Equity & Financial Services

*Please note that all similar names listed above are written as "Titan," which differs from our company's English spelling, "Taitan."

When verifying information, please check not only the company name and service name but also the domain, head office location, and representative's name to avoid any misunderstandings or confusion.
